

SARIS Classic Wood

Super strong
fully welded trailer

WWW.SARIS.NET

 Works for you since 1959

Proven quality reinvented

The SARIS wooden trailer is a true classic that has proven itself for years. This popular trailer has recently been renewed. The revised SARIS Classic Wood meets all the requirements you would expect of a modern trailer while remaining true to its roots.

Thanks to the combination of fully welded steel frames and high-quality wood, this heavy duty trailer has a rugged look and will give you many decades of service. This workhorse is the perfect trailer for both professional and private use.

Works for you

Commitment

Commitment

Our entire trailer production process is characterised by commitment. We work continuously on improving our trailers, based on experience, expertise and craftsmanship. Reliable products made by a reliable company. This has been our culture for more than 60 years and it produces top quality and clear agreements with customers and suppliers.

Cooperation

Cooperation

SARIS builds trailers and works on long-term relationships with suppliers, dealers and end users. We have confidence in our business contacts and listen to them. This cooperation produces innovative products, with which we help our partners to be successful. Customers and dealers are of central importance at SARIS and they can always depend on the best service and quality.

Craftsmanship

Craftsmanship

SARIS trailers are manufactured by craftsmen, for craftsmen. The foundation for this is a well-thought-out design, with a keen eye for detail and design. We use only the best materials and make quality products in accordance with certified processes. A SARIS trailer is built for you to move mountains.
