The trailer for  
the professional

[WWW.SARIS.NET](http://WWW.SARIS.NET)

# The professional all-rounder

The SARIS Tipper is ideal for larger, heavier jobs.

From construction, demolition and garden waste, to sand, stones and machines - there is no task too difficult for this all-rounder. Loading goods is easy thanks to its large, flat loading surface and collapsible and removable side walls. The electric tipping option of this trailer makes unloading bulk materials a breeze. With aluminium walls and steel floors all around, your SARIS Tipper can be cleaned in no time, making it a powerful partner in your everyday work.

The SARIS Tipper trailer has been specially developed and tested for use by skilled professionals. The one-piece top frame completely welded by robots makes it indestructible. Thanks to the unique features offered by the options and accessories, the SARIS tipper trailer is suitable for any purpose and user.

Professionals can rely on the SARIS Tipper to keep them working day in and day out.

# Works for you

## Commitment

Commitment is embedded in every part of the production process of our trailers. We are continuously working on further improving our trailers, based on experience, expertise and craftsmanship. Reliable products, built by a reliable company. That has been a key part of our culture for over 60 years - leading to top quality products and clear agreements with our customers and suppliers.

## Cooperation

SARIS builds trailers and aims for longterm relationships with suppliers, dealers and end-users. We listen to these partners and we trust them. This cooperation leads to innovative products which support the businesses of our partners. SARIS focusses on customers and dealers, who can always count on the best service and quality.

## Craftsmanship

SARIS trailers are built by craftspeople, for craftspeople. It all starts with a carefully considered design, developed through sophisticated detailing to deliver visual appeal. We only use the best materials and produce high-quality products using certified processes. SARIS trailers are built to help you move mountains.
