

# SARIS Machine Transporter

The most powerful trailer  
for versatile transport

## SARIS Machine Transporter

The SARIS Machine Transporter is a multifunctional trailer that you as a (professional) craftsman can rely on. Day in day out. It's low loading floor makes it ideal for Transporting small excavators and cranes, mini loaders or lawn mowers.

The robustly designed mud guards lets you step in and out of the trailer easily.

The Machine Transporter can also be used as a classic trailer with it's solid 30cm side boards combined with the optional rear board.

The SARIS Machine Transporter: An indestructible and versatile tool for any job!
