SARIS McAlu Pro | MP 255 133 1350 1

This is what makes the SARIS McAlu Pro and the SARIS McAlu Comfort unique:

- ✓ Optimal load space because of the lashing points concealed in the board profile
- ✓ The board profile of the Pro model has a height of 30 cm, plus tie-down rails with a height of 43 cm
The board profile of the Comfort model has a height of 35 cm and does not have tie-down rails
- ✓ Easy to clean because of the smart board profile
- ✓ A strong professional trailer
- ✓ Easily replaceable chassis
- ✓ High-quality materials
- ✓ Multifunctional because of the many accessories
- ✓ Accessories are quick to fit
- ✓ Unbraked trailers that can be convert into tipper trailers**
- ✓ Easily moveable optional rope attachment hooks in the side board profile

Works for you

Commitment

Commitment

Our entire trailer production process is characterised by commitment. We work continuously on improving our trailers, based on experience, expertise and craftsmanship. Reliable products made by a reliable company. This has been our culture for more than 60 years and it produces top quality and clear agreements with customers and suppliers.

Cooperation

Cooperation

SARIS builds trailers and works on long-term relationships with suppliers, dealers and end users. We have confidence in our business contacts and listen to them. This cooperation produces innovative products, with which we help our partners to be successful. Customers and dealers are of central importance at SARIS and they can always depend on the best service and quality.

Craftsmanship

Craftsmanship

SARIS trailers are manufactured by craftsmen, for craftsmen. The foundation for this is a well-thought-out design, with a keen eye for detail and design. We use only the best materials and make quality products in accordance with certified processes. A SARIS trailer is built for you to move mountains.
