Luggage trailer

The perfect trailer for private individuals or craftsmen!

Back from an absence: the SARIS luggage trailer!

From now on it is again possible to order a SARIS luggage trailer, the McAlu Comfort with a lid. All McAlu Comfort models can be supplied with an aluminum lid with a durable GRP panel. Our double-walled aluminum board walls are 35 cm high as standard, add the lid height of 15 cm to this and a usable spacious interior height of 50 cm is created, so that your extra luggage space becomes as follows:

205 113 : 1150 litres

205 133 : 1360 litres

255 133 : 1695 litres

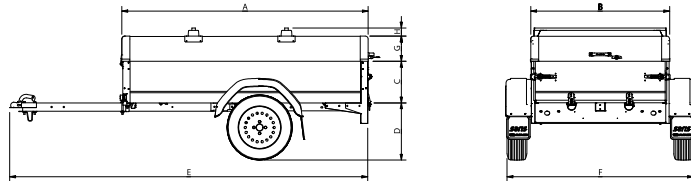

Our luggage trailers are available with brakes and without brakes, are properly lockable and splash-waterproof. This also makes the SARIS luggage trailer very suitable for a handyman/painter as an alternative to a Van Body. Optionally, the SARIS McAlu Comfort with a lid is available with black roofbars that can carry a load of up to 75 kg
